

Eleven Mukhi (Face) Rudraksha

Benefits: Vedic scriptures state that eleven mukhi Rudraksha represents the eleven forms of Lord Shiva also called Akads Rudra. Amongst the eleven forms of Lord Shiva, the eleventh form is Lord Hanuman. According to the ancient religious texts, several great sages have worn eleven mukhi Rudraksha during their meditation for spiritual quest. Moreover, it is regarded very auspicious in religious rituals. Hindu belief is rooted on a perception that whoever wears eleven mukhi Rudraksha, s/he shall attain all the eleven heavenly virtues of Lord Eleven.

Mantra : ' Om Hreem Hum Namah '

Ruling Planet : ' Jupiter '.

Which type of Rudraksha to wear: One should use those Rudraksha-beads which are nice, handsome, strong, big, auspicious and thorny. One should avoid those eaten by worms, broken, without thorns, and having sores.

The self-holed Rudraksha is of the best variety. But that which is holed by man's attempt, is considered to be worse. Those best Rudrakshas should be strung in white thread.

Where Available: The English name for Rudraksha tree is 'utrasum bead tree.' The trees are of medium height and the fruit on them is like a walnut, having a cover, with a Rudraksha inside. These trees are generally found in India, Nepal, Indonesia and some other countries of North Asia.
